# GIN

## Beefeater

*The palate is dry but the herbal bouquet is ideal & it finishes dry with a citrus back. Beefeater is distilled of neutral spirits with juniper, coriander, orange & lemon peels, angelica root & seed, liquorice, almond, & orris root.*

£3.60

## Beefeater 24

*The recipe itself still includes the core botanicals that define the distinctive Beefeater taste – juniper, coriander, angelica and Seville orange peel to name a few, but combines it with sencha tea, Chinese green tea & hand prepared grapefruit rind that bring with it a new range of aroma & taste.*

£5.05

## Beefeater Pink

*The soft fruit flavours of strawberry tune perfectly with classic notes of juniper & citrus to produce a finely balanced contemporary London gin with a hit of sweet strawberry.*

£4.00

## Beefeater Blood Orange

*Beefeater Blood Orange has a bitter-sweet juicy flavour & a vibrant, striking colour, set to appeal to today's gin drinker.*

£4.00

## Beefeater Blackberry

*Sweet juicy blackberry flavours perfectly balanced with the more complex notes of Beefeater's classic juniper, citrus & floral aromas with a long, refreshing finish.*

£4.00

## Gordon's Pink

*Crafted to balance the refreshing taste of Gordon's with the sweetness of raspberries & strawberries with the tang of redcurrant.*

£3.90

## Bombay Sapphire

*Bombay Sapphire opens with a touch of juniper, a ripe citrus & hints of spice in the fragrance. The palate is exceptionally smooth & allows the botanicals to open up one by one & mix in the most lovely way with juniper slightly at the forefront.*

£3.80

## Tanqueray

*The four botanicals thought to be used are juniper, coriander seed, angelica root & liquorice. They all combine to create a smooth gin, well balanced, juniper dominant taste*

£3.80

## Tanqueray No. 10

*Tanqueray No.10 Gin is adored for its citrus, fruit, grapefruit & lime flavor notes. Smooth & Elegant.*

£5.25

## Shortcross

*Shortcross has a classic yet contemporary flavour. Verdant notes from juniper & clover are layered with the lemony coriander spice.*

£6.70

## Hendricks

*Juniper aromas with floral hints & a touch of musky rose, followed by a blanket of sweet orange, lime zest, & elderflower. Very classic Gin on the palate with flavors of angelica, coriander, juniper & orris root. A burst of citrus flavors seals the deal.*

£4.40

# GIN

## Monkey 47

*Monkey 47 Dry Gin is adored for its lavender, pine, dry & cranberry flavor notes.*

£7.20

## Daffys

*To nose, fresh citrus comes to the fore, with bright orange and lemon notes each leaping out in turn. To taste, a sweet, though zesty citrus bursts forth, and the roots (angelica and orris) fill the cheeks.*

£5.20

## Malfy

*Malfy Gin is adored for its coriander, juniper berries, botanicals & citrus flavor notes.*

£6.85

## Whitley Neill Rhubarb & Ginger

*This Whitley Neill Rhubarb & Ginger gin is a blend of the original premium gin infused with rhubarb & extracts of ginger providing you with a sweet, fruity & moreish taste.*

£4.90

## Whitley Neill Parma Violet

*A luxurious handcrafted gin of exceptional quality with bright vibrant flavours of juniper followed by a herbaceous floral note from the Violet*

£4.90

## Jawbox Original

*From the north-east coast of Northern Ireland, this small batch gin is made with a combination of 11 botanicals, including juniper, lemon, cubeb, angelica, coriander, cassia, orris root, grains of paradise, cardomom, liquorice root & Black Mountain heather.*

£4.70

## Jawbox Pineapple & Ginger

*A juicy & refreshing gin, sticky sugar glazed pineapple is the most prominent note, but aromatic ginger & bright juniper prevent it from becoming a one-note bottling.*

£4.50

## Boseford Rose

*This gin consists of juniper, coriander, angelica, lemon & orange peel. It is then blended with strawberry & raspberry flavors & a hint of sugar that gives Boseford Rose a light sweetness to soften the sometimes-bitter taste gin is known for.*

£3.70

## Kopparberg Strawberry & Lime Gin

*Infused with the same strawberry & lime flavour as its popular cider flavour, also features juniper, lemon zest & coriander botanicals.*

£4.20

## Alfred Button & Son Lemon Sherbet

*A throwback to your childhood, this gin liqueur has a zesty lemon flavour combined with the nostalgic fizz of sherbet!*
